Come see the true story of the most important and innovative surgeon America ever produced. This documentary on the remarkable life of the first chairman of surgery at Johns Hopkins, William Stewart Halsted, was co-produced by Pathology’s own Norman Barker and Ralph Hruban, M.D., Alan Wu, the son of Pathology’s TC Wu, directed the documentary, and both Fred Askin (Pathology Director at Bayview), and Theresa Cantone (Administrative Assistant in Surgical Pathology) lent their voice talents to the show.
