

## Checklist for Pathology Consultation

The consultation fee is \$225.00 and may be covered by insurance. If you belong to an HMO or PPO that requires authorization for treatment outside the network, **you will be billed directly**. If you are not covered, the fee may be paid by check payable to: The Johns Hopkins University. There will be additional charges if additional studies are performed.

The slides are held for approximately 60 days and then returned. If the slides are needed before that time, the outside facility (i.e., hospital, treatment center, physician) may fax a request to our office at 410-614-7712, (include name address, telephone number).

Please direct any questions to 410-955-2405 or 1-800-997-5475, press 1 for anatomic pathology consult service.

The following checklist is a guide for submission of appropriate materials.
