Dear Donor,

On **May 17th, 2014** women, men and children will participate in the **6th Annual 5K Walk for Knowledge Supporting Pancreatic Cancer** in honor of, **Andrew L. King, Sr.** This is an event that raises money to support the fight against Pancreatic Cancer. The goal is to increase awareness, highlight stories of survivors, support families and raise money to help fund research into curing this deadly disease.

On behalf of myself and my family, I am writing to ask for your support. I know firsthand what it is like to lose a loved one to pancreatic cancer. My father passed away seven years ago. It was devastating to our family. I believe that my work with the Pancreatic Cancer Research Foundation is important and well worth the effort.

Please read the enclosed brochure that further describes the 6th Annual 5K Walk for Knowledge Supporting Pancreatic Cancer, its goals and details. Then determine how much you will pledge to help support this event. You can make your pledge directly to **www.landofpromise.org** or mail your donation, along with the enclosed donation form to **Land of Promise, 5924 Smith Station Road, Fredericksburg, VA 22407**. Over the past 6 years we've raised **\$8,680.00**. Will you please help us reach our goal this year of \$10,000.00? **All** donations will be gifted to Johns Hopkins University – Pancreatic Cancer Research. You can also help by donating items to this event. We are seeking contributions of food and beverages, *as well as*, monetary donations. All donations are tax deductible.

We thank you in advance for your generosity and support in our ongoing efforts to support Pancreatic Cancer Research.

With Sincere Appreciation,

Annual Walk Ministry
